## PROGRAM

## MEDIUM AND LONG TERM HEALTH OF CHILDREN CONCEIVED BY ASSISTED REPRODUCTIVE TECHNOLOGY

vers des applications cliniques prochaines?

- 8:30 am Welcome**
- 9:00 am Introduction - Gilles Bloch, Chairman and CEO of Inserm**
- 9:15 am Objectives and scope of the day - Catherine Patrat (Paris)**
- Chair: Pierre Jouannet (Paris), Catherine Patrat (Paris)**
- 9:30 am Key note lecture: Knowledge gained about the health of children conceived by ART - *tbid***
- 10:10 am Key note lecture: The association of maternal, paternal, and treatment parameters on the health of IVF-conceived children - Barbara Luke (East Lansing)**
- 10:50 am Coffee break**
- 11:05 am Key note lecture: Periconceptional exposures that may influence development and health of children conceived by ART: a biological perspective - Tom Fleming (Southampton)**
- Session: Health of children and adults conceived by ART**
- Chair: Roger Léandri (Toulouse), Yves Le Bouc (Paris)**
- 11:45 am Growth & Metabolism in children conceived by ART - Florence Belva (Brussels)**
- 12:15 pm ART-induced alterations of the cardiovascular system in humans and experimental animals - *tbid***
- 12:45 pm Lunch break**
- 2:00 pm Cognitive and behavioural development of children conceived through medically assisted reproduction. Evidence from the UK - Anna Barbuscia (Aubervilliers)**
- 2:30 pm Tumors or Cancers - Alastair Sutcliffe (London)**
- 3:00 pm Role of embryo culture conditions - Patricia Fauque (Dijon)**
- 3:30 pm Transgenerational consequences of preimplantation modifications of epigenetic regulatory mechanisms - *tbid***
- 4:00 pm Key note lecture: Ethical issues raised by the knowledge acquired and the questions related to the health of children conceived by ART - François Ansermet (Geneva)**
- 4:40 pm Round Table - Summary of the interventions, issues raised, perspectives**
- Chair: François Ansermet (Genève), Christian Boitard (Paris)**
- Hervé Chneiweiss (CEI), Sylvie Epelboin (GEFF), Philippe Jonveaux (ABM), Rachel Lévy (BLEFCO)**
- 5:40 pm Conclusion - Jean-François Delfraissy, President of National Consultative Ethics Committee**
